

NAWODYA SANDEEPANI WICKRAMARACHCHI

BIOCHEMIST

ABOUT MYSELF

I am an open minded, energetic and ambitious person. I have an ability to train, motivate, coach and lead a team. I am familiar with laboratory testing, data recording practices and safety procedures and willing to comply with all safety and quality controls. I like to collaborate with others, and excellent in working with others to achieve a certain objective on time. I am a person eager to learn and improve myself.

❖ Contact

• Phone

076 3924558

• Email

Nawodyawickramarachchi28@gmail.com

❖ Address

181, Doranagoda, Uduwampala

❖ Nationality - Sinhala

❖ Gender - Female

❖ Date of birth - 28th of February 2002

❖ OBJECTIVE

Seeking a Biochemist research scientist position in a biotechnology or pharmaceutical company with a stimulating environment to pursue innovative research and develop new technologies

SKILLS AND ABILITIES

- Detail-oriented and focused
- Collaborative
- Organized
- Flexibility to work additional hours
- Leadership skills
- Communication skills
- Computer skills
(MS WORD / POWER POINT/
EXCEL/ Photoshop ... etc.)
- Problem solving skills

EDUCATION

❖ 2023 present

Sri Lanka Institute Of Information Technology (SLIIT)

BSc (Hons) Biotechnology

Modules include:-

Analytical and Physical Chemistry Laboratory ,Organic Chemistry Laboratory ,Laboratory Safety and Management ,Techniques in Molecular Biology, Food biotechnology, Plant tissue Culture and Laboratory, Genetic Engineering, Protein Engineering, Introduction to Nano - Technology ,Quality Control Management of Food Products

Research project:- Molecule composition and appearance

❖ 2013- 2023 Nalanda Girls' Central Collage, Minuwangoda

➤ Advanced Level - 2021

Biology (S), Physics (C), Chemistry (C)

➤ Ordinary Level - 2018

Mathematics (A) , Sinhala (A) , Science (A), History (A) , Buddhist (A) , Information and Communication Technology (A), Commerce(A), Art (A), English(A), Tamil (B)

❖ 2023 British Way English Academy

Diploma in English - Honor pass

WORK EXPERIENCE

❖ MARCH -2023

Sristac STEAM Education Pvt. (Ltd)

As a assistant lecturer I have learnt basic working skills and learnt about AI technology.

❖ APRIL -2025

Sri Lanka Institute Of Information Technology (SLIIT)

As an temporary lab assistant at SLIIT I have improved my academic wise knowledge.

❖ JANUARY -2026

Internship at Awunui Group , Badulla It improved my understanding of scientific concepts and biological processes. It made me familiar with laboratory testing, data recording and safety procedures.

Extra-Curricular Activities

- ❖ Active member of Rotract Club Of SLIIT
- ❖ Member of Humanities and Sciences media club of SLIIT
- ❖ Member of Biotechnology student's club of SLIIT
- ❖ The head prefect of Nalanda Girls' Central Collage 2020-2021
